Nanoneurosurgery

Oh, Time, suspend your flight!

and you, auspicious hours,

suspend your course!

Let us savor the fleeting joy

of our most beautiful days!

Alphonse de Lamartine (1817)

Plenty of unhappy ones down here

beg you; fly by for them!

Along with their days

take the worries that consume them;

Forget the happy ones!

Alphonse de Lamartine (1817)

In vain I ask for a few more moments,

But time escapes and flees;

I say to this night: “Slow down,”

but dawn will dissipate the night.

Alphonse de Lamartine (1817)
