#### Nanoneurosurgery

**Oh, Time, suspend your flight!** and you, auspicious hours, suspend your course! Let us savor the fleeting joy of our most beautiful days!

Alphonse de Lamartine (1817)

**Plenty of unhappy ones down here** beg you; fly by for them! **Along with their days** take the worries that consume them; **Forget the happy ones!** 

Alphonse de Lamartine (1817)

In vain I ask for a few more moments, But time escapes and flees; I say to this night: "Slow down," but dawn will dissipate the night.

Alphonse de Lamartine (1817)
