**What happens
in a lecture?**

A large lecture hall with a professor at a podium and students in the audience. The room is filled with people, and there are large screens and a chalkboard in the background.

some people talk in their sleep

A large lecture hall with a lecturer at a podium and an audience of students. The room is filled with people, many of whom appear to be sleeping or resting. The lecturer is standing at a podium in the center, facing the audience. The audience is seated in rows of chairs, and many people have their heads down or are looking away. The room has a high ceiling and large windows. The text is overlaid on the image.
